Pamela Kohler, Mother of Colton Harris-Moore, Issues Statement on His Arrest

In response to numerous media requests for comment on the arrest of her son, Colton Harris-Moore, Pamela Kohler has issued the following statement via her attorney, O. Yale Lewis, Jr.:

“I am very relieved that Colt is now safe and that no one was hurt during his capture. I have not yet been able to speak to him. It has been over two and a half years since I have seen him, and I miss him terribly. I hope that it will be possible for me to see him sometime soon. However, I don’t yet know when that might happen.”
